

MESSAGE

**For I am the LORD your God
who takes hold of your right hand
and says to you, Do not fear;
I will help you.**

ISAIAH 41:13

Dear Parents and Students

In these trying times the only thing with which I can comfort you all, is the promise of God that He will help us in times of turmoil. Lord our God assures us that He will take us by our right hand, teaching us to walk by faith, leading us into His presence, and to communion with Himself, and keep us from falling. The Lord knows our helplessness therefore He gives strength through His promise that He is by our side, carrying us all, through these difficult times. His mighty hands are there to hold us from stumbling. Once a boy in the hospital was asked if he could bear a severe operation. "Yes," was his reply, "if father will hold my hand." When we feel God's hand holding us in times of trial, the touch gives us hope and calm. So let us all have firm faith in the Lord our GOD and earnestly pray for our safety and the safety of the entire human race. **Faith and Faith** alone can help and save us all.

In the name of our savior Jesus Christ I sincerely wish that all the students and their families stay safe and healthy.

God Bless You All.

Principal
