

Queen Mary's Girls School, Rohini

'Success isn't always about greatness. It's about consistency. Consistent hard work leads to success. Greatness will come.'

It indeed is consistency and tenacity that is the basis of success of our students. This year again, the students have achieved excellent results in the Class XII CBSE examinations 2017-18. Their hard work has borne results and has brought laurels and accolades for the school. We at Queen Mary's Girls School, Rohini believe that self-belief and hard work will always earn you success.

The school yet again has got a 100% result in the Class XII Board Exams in the academic session 2017-18. The School Management and the Principal congratulates all the students and their parents for the outstanding result.
